

Toronto,

16th. Aug. 1892. 189

Personal.

My dear Sir William,

I decided sometime ago to ask you to sit for an artist who has already prepared several busts for my department, in order that I might have your bust in our Art Gallery along with other Canadians whose memory we desire to cherish. Would you do me this favor and fix a time at which our artist could call upon you. She is an accomplished lady and has already done good work.

Yours truly,

Sir William Dawson
Montreal.
