Dear Sir William.

My father will very much appreciate your kindness in sending him a report of your paper on the "Guanches", as at the time of sending the specimens he requested me to forward him anything which you might make public on the subject: any mail matter addressed to

my father as below will be
forwarded to him:

C/o Rev. Brooke Lambert.

The Vicarage.

I regret that a previous
engagement prevented my
hearing your paper on Monday
last.

Yours truly.

Frank Lambert.
