Sir William Dawson, C.M.G., LL.D.,
Montreal, Que.

Dear Sir,

I have the honor to acknowledge the receipt of a copy of your lecture entitled "Thirty Eight Years of Mc Gill" and to offer you my sincere thanks for the kindness which prompted you to favor me therewith.

I have read with lively interest these reminiscences of your career, marked by so many important undertakings which have been satisfactorily accomplished during the period of your connection with education in this Province.

Like all that comes from your pen your narration has enough of strength and life to give an additional charm to the attractiveness of your career as an educationist.

Providence has blessed your works and crowned them with a merited success; and you leave to perpetuate your labors a large number of alumni and graduates who can never forget the time passed at Mc Gill under your direction and fostering care.

Allow me again to express my thanks and indulge the hope that in the years which are before you you may be blessed with health to continue the literary work for which you have had so little leisure in the past; and to present to Lady Dawson my best wishes and most respectful compliments.

I have the honor to be,
