

King's Own
Weston-Super-Mare

LONDON, E.C.

FROM THE EDITOR OF
"THE KING'S OWN,"

14th August 1894

My dear Sir,

I have to thank you very much for the copy of your address which you kindly forwarded to me, & also for the testimony which you gave. - Principal Moulle of Ridley Hall, Cambridge, has suggested to me that you might send me an occasional paper for the King's Own. I should have asked this before but was afraid that your many engagements & your comparative unimportance quite precluded the idea. The King's Own exists for the special purpose

of strengthening the faith of
Young men especially in the
full inspiration of the Scriptures.
I regret to say that the
necessity for this work
increases every day. We
have been struggling on in what
so far is an unpopular
enterprise for nearly five
years, & I am ^{now} arranging
for our sixth volume. If
you can see your way to send
me a paper or two, I shall be
very grateful. Anything bearing
upon the Scripture & Science will
be suitable for us.

I regret to say that our
rate of remuneration is
merely nominal. We exist
not as a commercial speculation
but as we attempt to meet the
necessity of the times.

Yours Sincerely,
John Urquhart.
