

POST OFFICE,

Montreal September 8th 1894.

Dear Sir,-

Instructions were given to the Clerks and Carriers concerned to cancel the order to redirect your correspondence to Little Metis, and deliver it at your residence in this City, and I have no doubt that such instructions have been promptly carried out. Should, however, any parcels not reach you in the regular way, kindly let me know and I shall take means to remedy any false treatment that may be accorded them.

Instructions have also been given to have large parcels sent to the College as heretofore.

Yours truly,

Sir Wm. Dawson,

293 University Street,
