Sir J. Wm. Dawson, F.R.S., L.L.D.,
Principal, McGill University,
Montreal, P. Q.

Dear Doctor Dawson:-

We ask your acceptance of a presentation copy of Mrs Traill's new book "Pearls and Pebbles, or, Notes of an Old Naturalist" just issued from our press. Knowing your interest in Canadian literature, and believing you perfectly familiar with Mrs Traill's writings, and possibly having a personal acquaintance with the author herself, we have thought that you would be inclined to give us a letter regarding this book that would be helpful in introducing it to the Canadian public. We do not ask this from merely mercenary motives, but in the interests of the author herself more than in our own. Mrs Traill, as you may know, is in, by no means, affluent circumstances, and her share in the profits of the sales of this book will be a material assistance to her, and we should like, for her sake, to have the sale as large as possible.

Will you kindly, as you find leisure, give the book a reading,
and be good enough to write us your impressions of it in such form
as your judgment would decide the most helpful to the book, and
you will very greatly oblige,

Yours truly -
Wm Briggs.
