Sir J. William Dawson

Dear Sir

On January 15th

the Natural History Society
of New Brunswick will
hold its 33rd Annual Meeting
and the President, Dr Geo.
F. Matthew, will deliver
his annual address.

As it was at your
suggestion that the Society

was organized we would like
to have a short communication
from you with any words of
encouragement which you
may have.

Bulletin XII will be issued
soon and will be sent to you.
It will contain three
geological articles of interest

Yours sincerely
