Prof. J. Wm' Dawson,

293, University Street, Montreal, Canada.

Dear Sir:-

Replying to your postal of the 1st inst. we have to say that we have made no sales of the "Acadian Geology," since the last statement sent you.

At that time you desired us to close them out as we saw fit. We have not had an opportunity to do so to advantage, and will be glad to know what you desire us to do with them now, and whether we shall await a favorable opportunity to make a market for them.

Very truly yours,

Dis. by Mr. Speirs.
