

Nashua N.H. 2. March 1895.

My dear Sir William,

I have to day received the following letter:-

"The Faculty at its last meeting agreed to accept the subject of "a history of Cathedral Architecture" for a thesis for L.L.D. but decided that the list of works presented for examination was insufficient"

Yrs. very truly
A. Johnson "

I suppose that this means that the matter is shelved, at least for this year. I certainly read more or

less other books, but I thought those
would be sufficient to give.

If it is not imposing too much
upon your kindness I would be
very much obliged if you will
let me know how many books
are required.

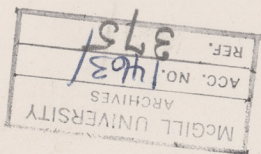

With kindest regards, Hoping
you will pardon my thus
troubling you.

I am, my dear Sir William,

Very sincerely yours,

Chas Bancroft

Dear Dr. Graham 195

I do not
know how ~~to~~ ^{to} answer
your letter, for
perhaps you will kindly
inform me what
I say. I should be
right to send an
abstract and copy
of my book. Very yours
