My dear Principal:

If your health and strength permit could you favor us with a lecture or two on the ancient Kings of Egypt mentioned in the Bible similar to those delivered for the Y. M. C. A. of Montreal. at our International Assembly, which is to be the Canadian Chautauques. It is expected this year to have lectures before teaching next year. Our work begins July 1st & ends Sept 10th. We will gladly pay all expenses and a liberal compensation. If possible dear Principal give us two lectures and oblige us all here. I sincerely hope that God may spare you for many

many a year, and that your grand work will
be the means of great certainty in faith.

Kindly write soon if possible to oblige,

Very truly
