Ottawa, August 3rd, 1895.

Dear Sir William,

I have your letter of the 31st. The new page will be as near as possible like the Geological Survey Reports. I have not got a sheet yet ^{from} ~~for~~ the press, but you will be quite safe in taking that size as your guide

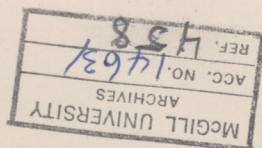

I do not know what Dr. Bourinot has done, but I think the authors are pretty well warned of the change. Dr. Bourinot is absent now in Sydney and I cannot consult him.

Yours truly,

J. Edgewood
