Sir J. W. Dawson,

My dear Sir-

It is necessary for me now to arrange my plans for 1896. I have in mind, among other things, a group of seven or eight articles under the general heading of "Helps in Bible Study". Will you not

contribute one of the
articles to this
series — something
in the line of your
special study. I
will pay \$25 for an
article of between
1500 and 2000
words. Or if you choose
you may write an
article in a series
helps to Christian living

or Problems before the
Church

Hoping for an early
and favorable reply

Yours truly
L. A. Mearns
