Dear Sir William,

I have wanted for some time to read the books that you have written but have been unable to secure them—

I graduated from McGill in '87 and from Porsby College in '89 and the Lord called me into evangelistic work, so that the number of books I can carry with me is necessarily limited.

I have been unable to get in touch with any circulating library as I go from place to

peace in two nations,
and I dont want to
buy such valuable
books as yours because
I could not keep them
after reading them, I
have tried to get them
and would be will-
ing to pay a fee as to
a lending library.

Would it be too much
for me to ask you to lend
them to me one at a
time and I will send
them back as I read
them. The Lord wonder-
fully baptized my soul
with the Holy Spirit
in '87 and we have
seen wonderful mani-
festations of the Spirit
in saving lost men

and lifting yours into
vital and victorious
union with Jesus.

Besides our two
meetings a day I take
a course of study each
year. This year I am
reading history and
scientific works. I am
reading with a view
to the glorious King-
dom that shall be set
up at the appearing
of our Blessed Lord,
Thankfully yours.
