My dear Sir  
I was truly grieved  
to see the announcement of  
the death of your son St  
George Dawson. It came  
as such an unexpected  
blow - I remember with  
gratitude your kind & sym-  
pathy with me in my  
bereavement & assure you  
that I feel deeply for  
you - We are of yours

son. I realize it the more  
as it is not so long since  
I had the pleasure of meeting  
him at your daughter's house  
& looked forward to renewing  
the friendship -

I have followed closely  
a good deal of your news  
work & have the highest  
opinion of it - He was a  
real honest geologist who  
evidently did not shew  
himself - I believe <sup>am</sup> sincerely  
with best wishes to you - It  
is a great loss to the

I should be glad to  
write the very kindest  
reports & wishes that your  
any name & strength to bear  
up against such a blow  
believe me to remain

Sincerely Yours  
J. Willard Peck

Sir J. W. Dawson
