My Dear Sir,

You may remember my writing you more than a year ago and your kind reply in which you said you would send me a copy of your forthcoming pamphlet on the "Deluge". I see from our American exchanges that the pamphlet has appeared. I shall be very greatly obliged if you will send me a copy, and also grant me permission to reproduce it in my magazine "The King's Own", a copy of which I send by this post.

I am deeply thankful that you have been enabled to throw your ^{strength} ~~spirit~~ into this great battle and to do so with a judiciousness and a scientific fullness of knowledge that lend the utmost weight to your advocacy.

I am,

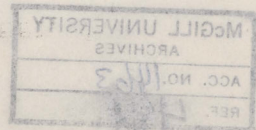

Yours most respectfully,

John Bergquist

Editor, "King's Own".

P.S. Kindly send on the pamphlet to above address as I shall be here (D.V.) for a month or two at least.

P.S. I have just been appointed Editor of the Christian Leader. I am giving myself to fight the battle in the press.
