Dear Friend

With this mail  
I send back yours,  
"Origin of the World"  
I have enjoyed it  
very much and shall  
never be able to tell  
you how grateful  
I am to you for your  
kindness in letting me  
have your book to  
read, I may never be  
able to reward you  
in any way but: "My  
God shall supply all  
your needs according  
to His riches in glory."

I will leave it to you  
as to which I should

read next, perhaps the  
"Story of the Earth"

I cannot send you  
the postage as I have  
no Canadian Charge  
but will send it to  
you in buck after  
it accumulates to a  
dollar.

In my unsettled life  
I am enabled by making  
my all my movements  
outside of two meetings  
a day, to read many  
volumes per year.

I am feeding my three  
fold nature - My body  
on plain food and  
plenty of hard work,  
My mind on such books  
as you sent and My  
spirit just revels in

The breadth and  
length and depth  
and height of Revel-  
ation and by the  
grace of God I neither  
want to be a "fruitless  
philosopher nor a  
narrow pietist," Besides  
the glorious work of  
winning many souls  
and leading believers  
into the baptism with  
the Holy Ghost and fire,  
I am getting ready  
to reign over the King-  
dom The Lord is going  
to give me when He  
shall appear

How my soul is stir-  
red as I see sin  
reigning in the world  
and the world reign-

ing in The Church,  
and what a cry  
comes up from The  
depths of my being  
for another Present  
to make up The  
pulpits of our  
day.

Gratefully Yours -
