Dear Sir William Dawson

I am sorry to say the last proofs did not come to hand in time to get out "Eden Lost and Won" in time for Christmas, but you shall have a copy by mail next week and in going through the work, should you find any serious errors, we will gladly print errata and place in unsold copies. I am in treaty with Harper Bros for an American Edition, and with Revell for Canada. Your order for copies to be sent shall be carefully

attended to.

Did I see in the paper  
that you had sustained a  
heavy bereavement or did the  
paragraph refer to a former  
loss?

With every kind wish  
for the coming year - for you  
Lady Dawson

Believe me  
Yours very Sincerely  
W. A. Hodder

Lt. William Dawson R.S. &c
