

COLLEGE GREEN,

Feb 19. 96

WORCESTER.

Wm Brewster

Dear Sir William

Very many  
thanks for so kindly complying  
with my request for an  
autograph for "Eden Lost  
& Won" I have today begun  
the book and find it  
most interesting  
I hope if you & Lady Dawson

come over this summer  
I may have the pleasure  
of meeting you.

There have been many  
changes in the appearance  
of the Green since you  
were here & many, too  
in my neighbours! I shall  
soon be "the oldest inhabitant".

The children are both  
very well and Barwick

is going to school at  
Strewsbury in May.  
I hope he will do well there.  
He wants to go into the  
Royal Engineers, but,  
of course, that is hard to  
do. If, however, the war  
some seem to think  
must break over Europe  
soon, there will probably

be less anxiety to "spin"  
fellows for every unimportant  
thing.

With love to Lady  
Dawson & best thanks  
and remembrance to  
yourself

Believe me

Very sincerely yours

Wm. A. Browne
