Sir J. William Dawson.

Dear Sir,

Having just received
the printed copies of the dissertation
upon the presentation of which
I received the degree of Doctor
of Philosophy from Zürich
University, I take the liberty
of sending you one.
May I ask you to accept it,
not on account of its literary
or scientific merit, which is

but meagre, but merely as a token
of my highest esteem & very sincere
gratitude for your kindly interest
in & encouragement to me while a
student of M^c Gill.

I send you also one of the duplicate
copies of the degree, thinking you
might be interested in seeing
one. The Swiss Universities give
some twenty copies of the
original degree to be sent around
with the dissertation.

In the hope that you may long
continue in health to carry on
further those scientific researches
of which we all as Canadians
& especially as M^c Gill graduates
are so proud, I remain

Yours very respectfully
D. Sualda M^c Gee
