Dear Sir:

As you are aware, we have recently imported a set of the plates of "Eden Lost and Won," from Hodder and Stoughton. The Custom House authorities here desire information as to what proportion of the royalty is to be paid the author. We have agreed with Messrs. Hodder and Stoughton to pay ^{through} them a royalty of 10% on the retail price. We presume that they have written you, arranging terms. If you will kindly write us in regard to this on the University letter heads, we will place same in evidence when we come before the appraisers a week from to-day.

Awaiting your reply, we are

Yours very truly,
