Dear Mr. Hodder

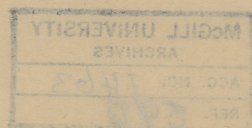

I thank you very  
much for the ~~cuttings~~ ready  
some of which I have  
sent to the Russell people  
to report their admissions  
The notice in the Journal  
as can be expected in the  
present state of opinion, which  
it is so necessary for all the  
unwarranted Philistines to  
uphold the Cuttes and to  
deny Moses. In the mean time  
I shall be busy of the dinner  
the sale of the work. I am most  
disappointed with the second sheet  
It should have been better  
I have now given over

The Time Men for a new  
Edition which I can have  
ready when you need it

When you were here  
we spoke of reviving the old  
Dawn of Life as a new  
edition to be called the  
Beginning of Life on the basis  
of my Lowell Lectures of  
last winter. These will be  
there out and have been  
printed with them the best  
parts of the Dawn of Life  
I submit however if the  
time is yet opportune for  
a <sup>new</sup> republication in that respect  
or shall keep the matter

in case it is wanted

My wife and I entertain  
a hope that we may be  
able to visit England July  
or July or August and to visit  
till the Brit. affr meeting in  
Sept. Kindly let me know  
what your movements are  
likely to be next summer,  
as I might possibly be able  
to see you in England in case  
you do not visit this country  
~~next year~~ in the summer.
