

70. HUNTINGDON ROAD,

CAMBRIDGE.

July 26/96

Dear Mr William Dawson,

I am very glad to
hear that Section C is
to be honoured by your
presence during the
year of my Presidency, &
also that you propose to
favour us with a paper.

I will at once com-
municate your intention

to the Recording Secretary
of our Section.

Believe me

Yours sincerely

John E. Mearns
