Dear Sir William, I am
venturing to write you
as I believe that you
can wisely direct & help
us something that is
causing me great anxiety.
You remember Mrs. Thos
Evans ditto whom you
loved one summer at
710 Sherbrooke St. She is
in deep trouble & I know
loved ditto her constantly
every winter for five winters

feel that her burden is
partly mine as ^{they} miseries
& sorrows of others should be.
It is true that I belong
to a rich family, but
my own means are extremely
slender, & I have never
asked them for anything
& cannot do so now. If
only I myself had the
means I would so gladly
advance what is necessary
for to speak plainly
my house is in debt for
her rent - your husband &

Twenty dollars which if
not paid by the end
of this month, her furniture
will have to go, & that
simply means that her
only means of support is
taken from her & she is
left destitute with nothing
to turn to as her
furniture is her stock
in trade. If I did not believe
so highly in your goodness
& truth I should fear to write
you, & you are one of the few
I could appeal to in this
dire straits for you see her
womans is old & unable to

make anything so they are
powerless. I thought - perhaps
you would kindly put
me in touch with Sir
Donald Smith as he
might do this good deed
one which I know would
bring as much as money
of his great princely gifts.
As the Murray + Dickson's (this
is causing is beyond belief.
Any day if you care to see
me + will let me know I
will be at some time or
if your time is too much
occupied a letter will
suffice. My address is
Mrs John Murray
c/o Mrs. Mrs. Susan
735 Sherbrooke St. East
