

THE ELMS

359 PEEL STREET,

19 March 97

My dear Sir William

Though not knowing  
by some mistake in the  
arrangements the time the  
Governors were to call on you  
today, I was not present  
with them, & regret very much  
that I did not see you, to  
congratulate you & Lady  
Danson in person, on  
your Golden Wedding day.  
None the less you were  
much in my thoughts, &  
had my very best wishes  
for many years' health  
& happiness. As an old  
student of yours, and one

Who has watched your  
career for years, allow  
me to express my very high  
admiration for your  
work & life for the best  
interests of Merrill and  
of Canada.

I hope you and Lady  
Dawson will see many  
happy returns of your  
wedding day, and with  
kindest regards to both,

Believe me

Very truly yours,

E. B. Greenshields.

Sir William Dawson.
