Mr & Mrs. Wolfertan Moore  
would offer to Sir Wm & Lady  
Dawson their cordial and  
heartfelt congratulations  
on the commemoration of  
fifty years of wedded life and  
they would express the hope  
that the good providence which  
has shielded them during so  
many years may continue  
to protect them and save  
them to their admiring  
and devoted friends for a  
still further period of a  
happy life. They trust that

Mrs. Lou & Lady Dawson will  
accept the little gift which  
accompanies their letter as a  
souvenir of their regard -
