

Dear Sir William Dawson

Thank you very
much for being so good as to
send me the very interesting
and valuable pamphlet
on Fossil Sponges, I have as
yet read but little of it, but
anticipate great pleasure
in further perusal, particularly
as I see by whom it is written,

I thought it so kind of you
and Lady Dawson paying
me a visit the other day

and greatly enjoyed your
explanation and instruction
concerning my little ornament
I shall now prize it doubly
from the knowledge you have
imparted to me - With
renewed thanks and kind
regards to Lady Dawson
as well as yourself

I am

Very sincerely yours
E. C. Orkney
