Sir William Dawson

My dear Sir

"Christian Men of Science"
We expect shortly and shall send
you up a copy - I & Hodder you
would see last evening - I called
upon him yesterday morning to let him
know your desire to see him -

About the Eldership - I have voted
for J.A. Stewart

J.F. Morrison

James Wilson -

We need three and I have been reminded
of the old Scotch story where a sort of
apology was offered in some such language
as the following - "Ye ken we want mak
the pillars o' the kirk out o' the material
we hae" - the names I have suggested
need no such apology - if we can get them
to act upons faithfully

Did you notice editorial in Drysdale
in Witness on Book Fair Saturday last?

B. I expect my suggestion will be approved and we can get in part authorized editions
