Sir William Dawson

Montreal Canada

Dear Sir: —

By last mail we received the reports of the "Fiftieth Anniversary" of your marriage.

Please accept for yourself and Lady Dawson the congratulations of one of your old students now in Central Africa

I retain a very lively recollection of your very great kindness to me before leaving home for this country; and have been prevented from writing sooner only by a deep sense of how poorly I have

been able to make use
of the help you gave me.
Much that I had hoped
to do has been left
undone; and the Lord
has given me much
to do that I never
expected.

We have gathered
at this station nearly
one hundred young
people; and think
we know a little of the
hopes and discouragements
which have
no doubt attended your
great work.

I am dear Sir
Yours sincerely
