Dear Sir William Dawson,

I have received

Your letter & am very much obliged to you. No doubt the manuscript will turn up in due course. I shall be very glad to have it only I should be sorry to think that you contemplated giving up writing on these subjects. There is no one whose contributions are more acceptable for the Expositor than yours, & they will always be gratefully received. I trust you will find much benefit to your health from your present change.

With best respects

Yours faithfully,  
W. Robertson Nicoll
