Re Hayes
Boy

25th September 1897

Dear Sir William

Yours of 15th was
handed to me by Rev. Mr.
Dewey, but I had the previous
day entered William Hayes
as a free pupil (temporarily)
on the recommendation of
Mr. Patterson, Royal Arthur.
He has now been placed
permanently on the free list
and supplied with all the
books he requires. I have
placed him in 1st Intermediate
Grade and his teacher
seems much pleased

with him. As you seem
to take an interest in the
boy I shall be glad to in-
form you from time to
time how he gets on.

Yours very truly
A. N. Shewan
