

J. M. W. B. 27th Sept. 1857

Dear Sir W.

Send your paper when ready; a space will be kept for you until February next.

Go on to order the best illustrations you require for your paper. I am happy to say that we shall probably have a surplus of funds, for the first time, this year. I take some credit for this, as I showed by my representation at the Habesai meeting from which I was shut out unfortunately.

yours sincerely,
J. G. Bowring
