270 Laval Avenue

Montreal, Jan. 28<sup>th</sup> 1898

Dear Sir William Dawson,

In relation  
to the matter of which you  
spoke to me on Wednesday  
morning, should it happen  
that D. G. M. Dawson has  
thought of some other per-  
son whom he would like  
to have working at the

Manuscripts under his super-  
vision, I shall be prepared  
for his choice.

Should Dr. Dawson leave  
the selection to yourself.  
I could give my attention  
to the manuscripts during  
June and the three suc-  
ceeding months. I should, how-  
ever, hope that by that  
time you would be able  
either to complete the work  
or to direct what re-  
mains to be done. If the  
effort proved too much

for you, I would look to Dr.  
G. M. Dawson for guidance  
in doubtful matters.

As to terms I am  
afraid that I cannot  
say anything on that  
subject until I know  
more of the nature and  
extent of the work to  
be done, but I don't  
think there would be much  
difficulty in arranging that  
point.

I will not say any-  
thing just now of a mo-

Dus perandi. I will, in-  
deed, be very glad if it  
should turn out that nei-  
ther my services nor those  
of any one else will  
be required.

Hoping that you may  
find your strength return-  
ing as the spring comes  
on and thanking Lady  
Dawson and yourself sin-  
cerely for thinking of me,  
I remain,

Yours faithfully  
John Dawson M.D. Conf. John Beade.
