

Duff

9, SELBORNE TERRACE,

MANNINGHAM,

BRADFORD.

Mr. Duff has read with deepest
pain the telegram in to-
day's news telling of the
suffering of the beloved
man who made our
alma mater & truly
made us live while
there & ever since, thro'
the great love and the
rich wisdom God gave
to His honoured & dear
servant.

May this suffering be
lessened to the utmost
and may the beloved life
be spared still many days
years to us all. A. Duff.
