Dear Mr. N.,

I send you a copy of Dr.  
"How Canada is Governed".  
Which, as the preface will  
show you is intended for  
young folk. I should  
like you to go over it  
carefully, & give me your  
opinion of it as one interested  
in Education. Lady  
Aberdeen has expressed  
herself in high terms

I have the Minister of  
Education for Ontario.  
I want to educate your  
young people in the nature  
of operation for institutions  
of general. You will  
appreciate my object  
Always yours

Sincerely,

W. B. Bowring
