Sir William Dawson

Little Falls

Dear Friend

I expected

that you will be surprised
at this communication but
by way of preface I wish
to state that I am from
Little Falls this place being my
birthplace. I am a son of
Dugald Bone with whom
I believe you are acquainted.
As a little boy I have heard
you address the Sabbath
School in the 2nd Concession.
I also took University
examinations including my

Inter mediate from me till
whill you when Principal.
Delaware Putnamford College
N.C. as my Alma Mater.
I have been in the U. States
for some years and have
had charges in Baltimore
Md. Philadelphia Pa. but
ten years ago I contracted
as a result of the ships
custom nervousness &
have failed so far to
get well yet - I have
preached altho at the
expense of my strength
now my health is almost
impaired. I have struggled
hard for I was poor
& am still in that condition.

Now physicians tell me
that I must rest or have
a change of place as to the
rest I have a family
to support and can't

afford to ³test - it - is with
reference to the second
I wish to ask a favor of
you, my present charge
is to heavy for me and
must ~~leave~~ ^{quit} if I could
get - some appointment
as chaplain to some
institution or some
sponsored unit - or some
other appointment - it would
I believe be just - suit me.
I can speak several languages.
I wish that you ^{would} help me
in securing some
appointment - when there
should not be such
a nervous exhaustion going
on as when in charge of
large church. Will
take my case into your
immediate consideration.
I have spent some weeks at

metis but - ful but - little
injured. I believe Sir William
that a word from you would
be of the greatest value
to me. I will be deeply
grateful to you for anything
you may do me. I am
yours &c -
