

Mr. W. Russell

708 Washington St

Bath, Me.

Sept. 13-98.

My Dear Sir

I have read
with great interest
"The Seal of Patmos"
which came to me a
few days ago. Please
receive many thanks
for your thoughtful
gift.

The blessed hope
of the Lord's coming
is a great inspiration
to me and gives a
key that fits every word
of locked Scriptures
and throws open the
hitherto unsurveyed
territory of the Book.
I am so glad that

The Spirit has created in me an insatiable appetite to make explorations into all provinces of truth and with the blessed ministry of leading sinners to Jesus and, Saints into the Anointing with the Holy Spirit, it is a luxury to be a miner and dig for the deep veins in the "excavating great & precious promises - We expect to do quite a little work in Canada this year & (D.V) shall begin on Oct 2nd in a Presbyterian Church in Cornwall Ont. We have

had an epoch making
summer in the great
conventions and have
seen the Lord work
like Himself among
the people -

Faithfully, Fraturnally
W. Russell
