Sir. J. W. Dawson L.L.D. C.M.G. &c.
Dear Sir

I am much obliged for the two copies of your very valuable work on "Testimony of the Scriptures respecting Wine and Strong Drink." I am greatly gratified that it has been published, and I trust may have a wide circulation and prove extensively useful. To get a copy in the hands of every Student in the City it is felt would be very desirable. I think there would not be much trouble about the money required. This afternoon I received \$7.25 / Twenty-five dollars for this object. It is estimated that 1200 Copies will be necessary. It is also spoken of, to get a

French edition for French Students,
Ecclesiastics &c. Which would
bes thought, be of service in breaking
down prejudices amongst the people.

Your views on this subject would
be valued, Also as about half the
types had been distributed before it
was known, in the renewed edition, or at
least as much of renewal as would
be necessary, you might think of
adding something special for the
Students English edition, you might
think it wise to take this opportunity.

As to the French translation, it could
be done in the Witness office, or perhaps
D^r Guigney may suggest some one.

Justice he has had special discourse
on Temperance lately. Before
undertaking the French edition, it
would be gratifying to have your
views as well as Counsel about the

English Students edition. It might be
well to use up what are on hand
first and republish later. I think
there are over 600 on hand at the moment

I trust your health continues to
improve, With best wishes and
kindest regards,

Dear Howard Sir William
Very respectfully and faithfully yours
J. A. Mathewson
