Dear Sir William,

At a meeting of Corporation held yesterday a hearty vote of thanks was accorded to you for your valuable gift to the library of documents, pamphlets &c illustrating the history of M^cGill — accompanied by many expressions of regret that your health should be such as to prevent you from carrying out your original intention of writing that history yourself.

Permit me to add to this letter my personal thanks for the copies of your recent essays which you were so kind as to send me.

Faithfully yours

W. Vaughan
