

Village Richelieu
Friday Evening

Dear Dr Dawson

I have postponed

writing until the last moment
in the hope of being able to go
to Town tomorrow - but I
must give it up - My cold
has settled in my leg in the
form of what I suppose is
Sciatica, not a severe case but
painful enough to keep me
for most of the day in bed - I am
very much disappointed - not
that I could do much to help
at the meeting, but your
Banquet occupies my thoughts

a

a good deal and I should like
to have been there - will you
drop me ^{alive} if not too busy to let
me know whether done -
- Just as soon as I can
venture I shall go to Town
to learn how you ^{are} getting on
and whether I can do any-
-thing to help you

Meanwhile with kind
regards to Mrs Dawson and
your uncle I remain
Yours sincerely
Otho D. Day
