

Buffalo March 28

Professor Dawson

Dear Sir-

You will please excuse the liberty I take in addressing a letter to you

A few days ago there was a notice in one of our papers that there would be a meeting of a number of Societies of Natural Science in this City in August. Your name was mentioned as one of the expected Guests

Citizens are requested to entertain the strangers. I write thus early hoping to secure the pleasure of your company ~~here~~ at my home. We live but five minutes walk from all the principal points in the city.

Now I will try to recall
to your mind our short
acquaintance You may remember
several years ago a trip down
the St. Lawrence where you
met a party bound for Halifax
I was one of them and
have not forgotten the
pleasure we had in meeting you
