Dear Sir.

I received
your letter promptly but
have been greatly hurried
in preparing to leave home
I have also experienced some
delay in establishing com-
munication with the parties
who will pack the specimens

You can have the specimens
on the terms you stated
and they shall be forward-
ed just as soon as I can
manage. I will be sure to
enjoin all the precautions
you suggested on the person
who will send the things
from Icthaea. My present
address is 138 Montague St
Brooklyn-Long Island.

Yours in haste Mrs C. F. Hart
