Dear W. Dawson

If you will go up  
to Mr Flower & introduce  
yourself when you attend  
his Lectures <sup>at the College of Surgeons</sup> he will  
be very glad to see  
you. I have mentioned  
you to them (W. W. Flower)  
they are both very  
pleasant & I think  
it is nice to know

one who has done  
so much for that  
very interesting museum.

Believe me  
very sincerely  
Yrs
