My dear Susan

It was Slicere  
nr. Goushall that the  
Miss Husbonds were at,  
the farm house they were  
in, is I know engaged for all  
the summer: the only  
actual address I know is -  
Miss Marr Walnut Tree  
Villa. Rose Hill Dorking:  
she has the F. Hills at  
her lodgng constantly:

I fancy the best way  
would be to write to the  
Post office at Holmwood,  
Abinger Common, Stæere,  
or Hazelmere, of course  
there may be lodgings  
still to be had, & the

Post master, or mistress  
is sure to know.

Mr<sup>rs</sup> Bond's carriage  
has come!
