Dec: 15th₂

Dear Sir William,

We are having
the friends of the pupils
& of all those connected
with the Institute here
tomorrow evening & I
trust, if you are not
too busy you will look
in upon us; I shall
feel honoured if you

do so as it will be
the last time that I
shall receive here as
Acting-Principal.

The number of pupils
will be increased to a
dozen by times as
you predicted. The
22nd is our last
day of lessons next
week is set apart

for examination on
the work we have gone
over this term.

I was anxious to apply
for the post of Assis-
tant Lady Principal
but Mr. Barclay thinks
I had better not do so,
may I hope you will
favour my obtaining
a larger room for which

I have petitioned instead
of the Small room Mr.
Drummond has allotted
me - Mr. Prune has
promised me to play
for us tomorrow evening
& two or three ladies will
be here interested in
sending pupils after
Prunes. With Compliments
I am - Yours & faithfully
Marion E. Woollen.
