Dear Sir William,

Will you accept  
my best thanks for the  
testimonial you have  
so kindly written for  
me. It would I am sure  
be of great value to me  
should I be seeking  
teaching engagements,  
in the future, either here  
or in England, & it gives

me much personal gratification to possess it at present. I was hoping I might have seen you to-day at the Lady Students 'At home' but, as I was not feeling very well, I thought it wiser to remain in doors.

With best Compliments & thanks, I am -

Yours <sup>very</sup> faithfully  
Marion E. Woollan.
