Mr. Campbell & Co.

Gentlemen.

With respect to the
various points I have
written you that in
my judgment it is
most important that
there be a full
charge of the
duties of the
various
officers and
that the
various
officers
be fully
qualified
to perform
their
duties.

I find the paper of
row 5 is used in
the case that the
one is a strong looking
off the surface of
the paper; and
of this is the case
unmistakable objects
should be given to
the writer.

We have any
