Dr J. W. Dawson
McGill College
Montreal

Canada.

Left Newport this Portsmouth
morning after a comfortable
rest. At Fabian House Dr Bell
and sister joined us. They had re-
mained there a day, instead of
at Newport. We passed through
the White Mountains and
saw the most beautiful views.
Saw White Mt. House, Fabian
House and Crawford House.
Saw Mt. Washington & the Rail-
way leading to its summit.
The Notch, which we passed
through is most beautiful.
I never saw anything
finer. Most beautiful Mt.
& a shower which we had
heightened ^{the} ^{view} ^{of} ^{the} ^{scenery}. Dr B.
will likely go through all the
way with ^{us} and there
are numbers of others who are
also going through to Phil, so
that I shall have plenty
of company R.D.
