Arrived safely after a Philadelphia.
most enjoyable trip. I can
recommend the S. W. R. R. to any one
I cannot begin to tell you half of the things
I have seen & heard. I am taking very
short notes of the things that are new to me.
Have not yet been into the Exhibition grounds.
I am to stay at 515 North 41st St. as arranged.
May have to shake down for a night or two before
I get a room to myself, as the hotel is at present full.
The way I came to Phil has been most interesting
enjoyable, instructing &c. We had a delightful
sail, in the S. S Providence, last night from Fall
River to N. Y. Had no difficulty in changing to Phil.
