A. E. Lewis arrived this morn-
ing. Will likely lodge at same
house with me. Raining
this morning so we are
devoting ourselves to main
building. There is a larger
number of people in Phil.
now than there have been
heretofore every place of
accommodation is filling up.
This morning we have been
through Peru, Argentine Rep.
orange free state, China &
Japan. Can't begin to tell
you anything. Have taken
notes of Paris. Things to call
them back to mind again.
Japan is wonderfully inter-
esting. Such exquisite &
elaborate carving &c. &c. &c.
