Prin. J. W. Dawson  
McGill College  
Montreal  
Canada.

I am now in the Philadelphia  
art Gallery. The no. of Sept. 14.  
variety of the paintings here is  
vast. The more one sees, the more  
remains to be seen; or seems to.  
A. E. Lewis left Monday evening.  
He intends to spend a day or two  
in N. Y. before proceeding home. When I leave  
I shall go straight through to Montreal, as there is  
much here which can not be seen again. + R. D. 1
